Financial Policy

The Gastroenterology Institute of Orlando has a responsibility to provide quality healthcare services to patients. In maintaining a good patient relationship and continuing the delivery of quality healthcare, we hope you will take responsibility for your financial obligation to our practice. The following are general policies we have established for our patients, which allow some patients flexibility. We encourage you to discuss your account and any payment arrangement that you desire with our office personnel. Discussion of these issues early on in your treatment process will prevent most concerns or misunderstandings.

1- INSURANCE - As a courtesy to our patients, we file claims of all visits and procedures, either they are delivered in our office or in the hospital. When we file a claim on your behalf, it is with the understanding that benefits will be assigned to the Gastroenterology Institute of Orlando. That is, the insurance company will pay the Gastroenterology Institute of Orlando directly). You are responsible for the payment of all deductibles, co-insurance, co-pays, and non-covered services. Please remember that insurance coverage is a contract between the patient and the insurance company. The ultimate responsibility for understanding your insurance benefits and for payments to your doctor rests with you.

2- REFERRALS - You are required to know whether or not your insurance requires a referral/authorization and obtain that referral/authorization before you are scheduled to see our physicians. Our office will be happy to assist you in determining the status of any one of our doctors on your insurance plan; however, this is not a guarantee of coverage. You should take the time to call your insurance company to ask specifically about the doctor you wish to see and your coverage benefits. Referral typically has an expiration date and a limited number of visits, so you should be careful to monitor dates and visits. Our office will not see a patient who does not have a visit referral.

3- PROCEDURES - No show for procedures; your account will be charged an administrative fee of $100.00

4- APPOINTMENTS - New patients No-show be charged a fee of $50.

5- RETURNED CHECKS - Your account will be charged $30.00 for each returned check. In addition, you will be asked to bring cash to our office to cover the returned check and the fee.

6- PAST DUE ACCOUNTS - Patients who have not made an effort to make payment arrangements and have not expressed an interest in meeting their financial obligation to us may be turned over to a collection agency. Patients who have allowed their accounts to be turned into an agency will be expected to satisfy their financial obligation and pay for any future services in advance before being seen by our physicians.

7- NON-COVERED SERVICES - You have scheduled a visit with one of our physicians and physician believes to be relevant to evaluate, monitor, and protect your health. However, Medicare and certain other insurance companies will only pay for services that are determined to be “reasonably necessary”; they will deny payment for that service. Sometimes insurance companies will not cover an office visit before a procedure when the patient comes to the doctor with no symptoms and requests a screening procedure. Denial of payment by your insur-ance company does not mean that you need to visit a physician assistant beforehand.

Our doctors recommend an office visit prior to the performance of any procedure in order to have the patient’s general health evaluated and make sure the patient is well informed about the recommended procedure. We are required to notify you that your insurance company may not cover the office visit and that you will be responsible for payment.

PATIENT SETTLEMENT - BENEFIT ASSIGNMENT & ACKNOWLEDGMENT OF FINANCIAL RESPONSIBILITY - I authorize the insurance mentioned before to make payments directly to the Gastroenterology Institute of Orlando for the medical services I receive. I understand that I am financially responsible for costs of all non-covered services, co-pays, co-insurance, deductibles, and any other charges my insurance company deems my responsibility. If my account becomes delinquent for a period of (30) days or more, I hereby acknowledge that I will be responsible for the entire balance, interest, court costs, and /attorney’s fees involving the attempt to collect the debt.
